

## Serving Social Healing

**An Invitation:** Come and feel nourished and harmonized in soul and spirit!  
Learn practices for inner and social healing based on methods of concentration and meditation born out of Anthroposophy.

### ***A SPECIAL INTRODUCTORY SERIES OF CLASSES IN SANTA CRUZ***

Course teacher: Dietlind Kionke-Thoemmes

#### ***August 2: THE LOGIC OF THE WILL***

This class introduces a method to instill harmony and healing in social connections and contexts. It builds on the *Logic of the Heart* practice, introduced in July. The *Logic of the Heart* is a method for purifying perception, lifting our consciousness out of the astral body so that our awareness becomes objective and we can perceive what is true when looking at our soul life. To be able to purify our perception through the *Logic of the Heart* is the necessary first step for the *Logic of the Will* exercise. Through the *Logic of the Will* human relationships and conflicts can be healed, bringing harmony and well-being into community life. This fosters healing in the present and helps prepare for the future.

#### ***October 4: WORKING WITH CHAINS OF REPEATED OCCURRENCES***

Working with both the *Logic of the Heart* and the *Logic of the Will*, this class introduces a method to foster healing for our life experiences, connecting us to the Grail stream. Participation in one of Dietlind's previous classes is a prerequisite for this class.
